IRSA Spray-Cleaner

Cleaning of sealed wood surfaces, stone, laminate, vinyl or other surfaces

Areas of use:

For cleaning of sealed wood surfaces of furnitures, doors, table boards, panels, stairs and floors. The product can also be used for cleaning of stone, laminate, vinyl or other surfaces.

Characteristics:

The IRSA Spray-Cleaner in the easy spraying bottle can be easily divided into doses and mildly cleans sealed surfaces of furnitures, tables, boards, panels, stairs and floors, as well as stone, laminate, vinyl or other floors.

Consumption:

ca.30 ml / m²

Use:

Shake the spraying bottle well before use. Subsequently, spray the IRSA Spray-Cleaner onto the corresponding surface and distribute it equally onto the shiny surface. Use IRSA Blitzboy and wiping cloth for floors. Carry out interim cleaning, if necessary.

Use for the care or for applying a protection film onto the underground an agreed care product, such as IRSA Aqua Star for wood surfaces.

Storage:

Store and transport cool but not under +6° C. Can be stored in the empty original container for at least 2 years. Seal opened container well and use it as soon as possible.

The advice given by us in word, writing and endeavour for the technical application is supplied to our best knowledge, but may, however, only be regarded as an indication without any obligation and does not exempt you from examining the supplied products yourself, if they are suitable for the procedure and purposes intended. Application, use and processing of the products are not within our range of control and supervision, but are at your responsibility exclusively. It goes without saying that we guarantee products of high and good quality, according to the samples. With publishing of new information the earlier technical data sheets lose validity.
